EDWARD TATNALL HOUSE
Wilmington, New Castle County, Delaware
1807 Market Street

Owner: Margaret A. Murphy.

Date of Erection: About 1790.

Present Condition: Good as to physical condition. Sash modern.

Number of Stories: Two and a half over basement, and lower service wing in rear.

Materials of Construction: Masonry, rubble, brick chimneys, slate roof, probably originally wood shingles.

Other Existing Records: New Castle County Records in offices of Recorder of Deeds and Register of Wills, Wilmington, Delaware.

Additional Data: This may be considered a typical example of buildings in the older residential sections of Wilmington, very plain and substantial, reflecting the severe Quaker taste of the times. The chimneys have not the usual generous breadth and flue size of the early chimneys. Note the front entrance blinds carried up only to the transom-bar, so as to light the hall).
